Customer Problem Statement Template:

 I AM	<u>Who are they?</u> ...	Loan applicants, salaried individuals, self-employed borrowers, small business owners who need financial support.
 I'M TRYING TO	<u>What do they want to achieve?</u> ...	Get my loan approved quickly, easily and with the best possible terms.
 BUT	<u>What's getting in their way?</u> ...	The loan process is complicated, requires lots of documents and takes a long time.
 BECAUSE	<u>Why is this happening?</u> ...	Manual verification, complex eligibility checks and lack of real-time data analysis cause delays and confusion.
 WHICH MAKES ME FEEL	<u>How does this make them feel?</u> ...	Frustrated, stressed and uncertain about loan approval status.

 PROBLEM STATEMENT	 I AM (CUSTOMER)	 I'M TRYING TO	 BUT	 BECAUSE	 WHICH MAKES ME FEEL
PS-1	 a loan applicant	get my loan approved quickly and easily	the approval process takes a long time	manual verification and document checking are time-consuming	frustrated and uncertain
PS-2	 a bank loan approver	evaluate loan applications accurately and faster	there are too many applications and risk of human error	data is in different formats and verification is done manually	overwhelmed and pressured to make correct decisions
