

Communication

Date	7/7/2026
Name	Y Varshith
Project Name	Smart Lender
Maximum Marks	1 Marks

Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were managed.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Project Planning	Daily	Personal Notes, VS Code	Self	Plan daily development tasks
2	Progress Review	Weekly	GitHub, VS Code	Self	Review completed modules and pending work
3	Issue / Bug Resolution	As Needed	Stack Overflow, Python Documentation, GitHub	Self	Resolve coding and runtime issues
4	Guide / Mentor Discussion	Weekly	Google Meet / WhatsApp	Student & Project Guide	Discuss project progress and receive feedback
5	Documentation Review	Once	Microsoft Word	Self	Verify project documentation before submission
6	Final Project Submission	Once	Skill Wallet & GitHub	Self	Submit final project and documentation

Communication Challenges & Resolutions

S.No	Challenge Faced	Resolution / Action Taken
1	Difficulty integrating the trained machine learning model with the Flask application	Verified file paths, loaded model.pkl and scaler.pkl correctly, and tested predictions locally.
2	Errors due to missing Python libraries and package dependencies	Installed required packages using pip install -r requirements.txt and verified the environment.
3	Preparing documentation according to the SmartBridge template	Updated every template section with project-specific content, added diagrams, screenshots, and testing results.
